

## UNTIY OF FAITH

The 'Unity of Faith' speaks a common language...music that bridges the gap between religions and people. A union of poetry, prayers and music from various religions composed to convey the message of peace and solidarity. The ensemble consists of the Sitar, Cello, Shehnai, Vocal, Tabla and various percussion instruments. The rich artistic performances create a peaceful environment.

The compositions by Shubhendra and Saskia are a synthesis of soulful pieces taken from Rumi's Rubhayat, the music of the Baul, poetry by Emily Dickenson, prayers from the Vedas like 'Asatoma Sath Gamaya' and Hindustani and western music's. The melodies of the instruments synchronized beautifully.
